**OSWEGO HIGH SCHOOL**  
**NATIONAL HONOR SOCIETY**  
**Membership Contract**

The following conditions of **scholarship, leadership, service, and character** are necessary to maintain membership in the National Honor Society at Oswego High School. Please read each item carefully since failure to meet any is cause for referral to the NHS Faculty Council and eventual dismissal from NHS. Members are responsible to follow these requirements without further reminders.

1. NHS members will maintain academic standing in the top 15% of their class.
2. NHS members will participate in any MANDATORY NHS service projects. The summer ribfest and fall craft show is required, and others may be added throughout the year to maintain our goal of service. Failure to participate without appropriate prior explanation may be cause for dismissal.
3. In addition to the above, NHS members must provide **15 hours of service** to NHS sponsored events by March 3<sup>rd</sup>, 2017. **Non-completion of the 15 hours by March 3<sup>rd</sup> is reason to withhold a member's gold honor cord at the Induction Ceremony in spring of senior year.**
4. NHS members will continue to demonstrate leadership and character in and outside of Oswego High School. Any academic dishonesty or violation of the Oswego High School Code of Conduct is cause for referral and may result in dismissal.
5. NHS members will attend all monthly meetings, unless previously excused, and will actively support NHS tutoring and other activities. Members will participate in all mandatory NHS sponsored events.
6. According to the national regulations of the National Honor Society, once a member has been dismissed, he/she may not be readmitted.
